

WE'VE GOT YOUR NUMBER, BABY!

These personalised reflective number plates make a great gift for a mom-to-be or your toddler, and can be fitted to prams, bikes, quads, tricycles and more. For more info and orders, call Eben Combrinck on 084 555 5596 or email myride@zealpromo.com.

NATURAL FERTILITY

Nuvida's clinically researched fertility-improving multivitamins offer a less pricey option for couples seeking fertility treatments. For more information on this and other Nuvida products, email Elizabeth Savage at info@nuvida.co.za, call 0861 688 432 or visit www.nuvida.co.za

CRAWLING COMFORT

Kazoony baby crawling gear crawling pants have comfortable neoprene kneepads, which are shock absorbent, soft and stretchable and designed to allow easy and pain-free movement for babies who enjoy active crawling. Available in sizes ranging from 6-12 months and 12-18 months. For more information call Jodi Abrahams on (011) 447 1629 or 083 445 0464 or, Janine Combrinck on (031) 572 6682 or 083 676 4835, or visit www.kazoony.co.za.

WHAT A WIN!

Write in with your Jenna Clifford experience to info@jennaclifford.com or email your sales consultant, and you and your husband or fiancé could win prizes to the value of R25 000! Each month, we will choose a winning couple at each of our four branches. They will be announced in the Jenna Clifford newsletter. The overall winners will be announced in May 2008 and will win fabulous prizes to the value of R100 000! For more information visit www.jennaclifford.com

NEW MALE INFERTILITY TREATMENT

New studies suggests that human bone marrow cells may be used to create immature sperm cells, lending hope to male infertility research.
